STATEMENT IN SUPPORT OF
PETITION UNDER 37 C.F.R. §1.137(b)

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

I, Eric C. Hince, residing at 25 Day Road, Campbell Hall, NY 10916, hereby declare the following.

1. I am the inventor and applicant of the above-identified patent application.
2. Applicant received a Final Office Action from the United States Patent and Trademark Office (USPTO) mailed 24 April 2003, with a shortened statutory period for reply of three (3) months.
3. On 23 July 2003, applicant submitted a Petition for Extension of Time Under 37 CFR 1.136(a), along with appropriate fee, to extend the period for reply an additional two (2) months.
4. On 24 September 2003, applicant filed an After-Final Amendment and Declaration Under 37 CFR §1.132, which applicant believed would place the application in condition for allowance.
5. Applicant received an Advisory Action from the USPTO mailed 20 October 2003, stating that applicant's reply filed 24 September 2003 was received, but failed to place the application in condition for allowance. The stated period for reply to the Advisory Action was set five (5) months

from the mailing date of the final rejection. Since applicant had received the Advisory Action after the period for reply had already expired, applicant was not given an opportunity to timely file a Notice of Appeal or a Request for Continued Examination. Therefore, applicant's failure to timely file a proper reply was unintentional.

Very respectfully,

Eric Christian Hince
Applicant
